MESSAGE OF THE CHAIRMAN

Students! It is an established fact that the world is ruling by those Nations who have knowledge.

This knowledge can be gained through quality Education. It is a matter of great pleasure of me to declare the result of SSC (Annual-I) Examination-2024. All this became possible by the grace of Allah, with the hectic efforts of teaching staff, Board employees, District Administration, Provincial Govt. due to which the examination was conducted in a smooth and transparent manner.

The evaluation was done without any discrimination and efforts were made to ensure justice and transparency, so the talent may be honored and awarded.

It is for the average and non-successful students that is failure that bread success and success have never bread success.

They are advised to continue their efforts, learn more and more from their mistakes and use their potentials wish zeal next time to get success.

At the end, I congratulate all the successful candidates, their Teachers, Parents and institutions concerned on this occasion and pray for their happiness and prosperity.

We unveil the talent not the faces.

Message of the Controller of Examinations

By the grace of Almighty ALLAH, we feel very much enthusiastic and excited at this historic moment that SSC Annual-I Examination-2024 results have been compiled successfully with complete care devotion, and sencerity. The office of the controller and BISE staff worked like a well unified team with zeal and zest, commitment, dedication and achieved the goal which was not a plain sailing.

With the grace of ALLAH, almighty, kind patronage of Honorable Chairman, dedicated staff of SSC Secrecy, in true sense visionary professional **Computer Programmer Malik Farman** Khan and Computer cell staff, helped me in my struggle of observing fairness, impartiality and giving the due to the deserving.

We always follow and ensure the principles of justice, equality, accuracy, imartiality and transparency and try to utilize students, talents and capabilities by preparing question papers through a pool of qualified paper setters.

Being controller of the prestigious institution like BISE, Mardan, I vehemently and ecstatically announce the SSC Annual-I Examination-2024 results.

I offer my real and natural congratulations to those who have been awarded and achieved the fruits of their hard work. I would like to encourage equally those who have not attained their targets and to say that the day is at hand when they would be awarded accordingly like the achievers if they work hard and determined.

Wish you all the bright future.

ISHRAT ALI
