CHAIRMAN MESSAGE

It is a great moment of pleasure and gratification that the conduct of SSC, 9th & 10th Annual-I Examination 2024 as well as the timely preparation of the result was done successfully without confronting any unpleasant situation. The herculean task of conducting the examination of almost (181842) candidates from the districts of Peshawar, Charsadda, Chitral, Khyber and Mohmand was held smoothly. Despite logistic challenges, tooth and nail efforts were made for the facilitation of students. Steps were taken to further improve the already undertaken policy to rationalize students in the examination centers.

To maintain its tradition, BISE Peshawar introduced reforms to ensure the standard in conduct of the examination process. The requisite data for the supervisory staff was taken from Elementary & Secondary Education as well as Higher Education Department. This year, Board of Intermediate & Secondary Education, Peshawar ensured that CCTV Cameras are installed and well connected with the control room of the Board. The District & Political Administration alongside Police Department extended every possible support in streamlining fair and peaceful Examination. Furthermore, to bring transparency and uniformity in the marking process, OMR (Optical Marking Recognition) was applied and operated successfully.

We are leaving no stone unturned to ensure the availability of online facility to students for submission of forms and applications etc. Besides, I am honored and I extend my heartfelt congratulations to those who have earned the highest score in the examination that is proof of their commitment to their studies. I hope this achievement will play a substantial role in their career ahead. And for those who could not achieve a good score, they should not give up; rather they should keep pursuing their dreams with more dedication and commitment. In Shakespearean words, "Nothing is difficult but our thinking makes it so".

Last but not least is to offer my genuine gratitude to both, the Honorable Minister and Secretary, (Elementary & Secondary Education), Khyber Pakhtunkhwa for their consistent support for the conduct of examination.

Wish you all the best.

(Nasrullah Khan Yousafzai)
