1. MESSAGE FROM THE CHAIRMAN/CONTROLLER

I am extremely gratified and thankful to Almighty Allah who bestowed me with the potential to successfully conduct the SSC-I examination 2024 and finally announce the results throughout the contingent districts of Swat, Shangla and Buner.

I feel honored to recognize the achievements of our students. Firstly I would like to extend my heartfelt congratulations to all the candidates who have excelled in their exams, especially the position holders who have demonstrated exceptional academic process. To those who may not have achieved their desired results, I urge them not to be disheartened. Instead, use this as an opportunity to learn and grow, and work towards improving your performance in future.

BISE, Saidu Sharif Swat prides itself on maintaining a transparent and merit-based system. We continuously strive for excellence and qualitative improvement in the examination system and services through the use of technology. We are endeavoring to ensure that all our processes, from examination to result compilation are conducted with utmost precision and fairness. The marking of scripts was carried out by well-qualified and well-trained teachers whose expertise is demonstrated by the accuracy of evaluation of answer scripts. The results of Inter Board Cross-Validation of answer scripts of top 25 candidates is a testament to our commitment to fairness and integrity.

This year SLO-based examination was fully implemented at SSC level and we are committed to extend this at HSSC level next year. While acknowledging that our examination system does not yet meet international standards, I firmly believe that with the support of parents, teachers and students, we can achieve the desired improvements. Together, we can uplift the standard of education and foster an environment that nurtures academic excellence and personal growth.

I extend my sincere thanks to all parents, principals, heads of schools and educational institutes for their unwavering support. It is crucial that we collectively discourage malpractices in examinations as these undermine the integrity of our educational system. Together, let us continue to work towards a brighter and more prosperous future of our students.

MR. MUHAMMAD ISHAQ

2. MESSAGE OF THE DEPUTY DIRECTOR IT.

I am extremely grateful to Almighty Allah who furnished me with the aesthetic power to execute the SSC Annual-I examination and announce the results throughout the contingent districts i.e. Swat, Buner and Shangla for the year 2024.

I present my cordial congratulations to the position holders and their parents for this unprecedented expectation and greatness while underachiever may need grave concerns to bring some dramatic changes at their career. By the grace of Almighty Allah I found a team of dedicated and selfless officials of Computer Section who worked enviably day and night to bring to light the present Gazette in your hand. I am all sure no stone has been left unturned in ensuring transparency and objectivity of the entire system from conduct to marking and declaration of result this very day.

Finally, the BISE Swat is committed to conduct the following examinations purely unpolitical, well-furnished and realistic saying farewell to the traditional execution.

In the end I appeal to all the concerned teachers (private & Government), students and parents to play their utmost role at eliminating the use of UFM's in terms of examinations to bring forth the strongest generation, leading the world ahead.

Regards

MR. AZIZ AHMAD
